There is a small “IEA” sign in front of the building.

Public Transport

Métro: Bir-Hakeim (Line 6)

RER: Champ de Mars (Line C)

Bus: Docteur Finlay (Line 42) + Dupleix (Line 42)

From Charles de Gaulle Airport (CDG), first follow signs for rail connections. The train station is next to Terminal 2E. There is a shuttle bus service between terminals.

Once at rail station, follow signs for "Trains to Paris" or RER B. Take the train to Paris station St Michel-Notre Dame. Time: 35 minutes, and departs from CDG every 10-15 minutes.

Tickets available at the booth or from the machine, Carte Bleue, Visa, Euro coins/bills are all accepted.

At St Michel-Notre Dame, change to the RER C going toward Versailles Rive Gauche. Go to the 4th stop, Champ de Mars/Tour Eiffel. Time: 11 minutes.

When arriving at Champ de Mars, take the exit towards the front of the train (Boulevard de Grenelle).

Inside the RER station, next to the ticket booth, there is a neighbourhood map, and the IEA is labelled.

All visitors will now be requested to show the invitation email, upon arrival at the second entrance door and reception must be notified the day before their arrival. Their access will be controlled at the 2nd entrance door by the Security Guard on duty who will have a list of Visitors planned for the day prepared by reception. Visitors must also present a valid passport or identity card. (which will be retained at the reception for the duration of the visit) IEA. Visitors will be provided with a badge for the time of their stay at the IEA, which should be returned to the reception on departure. Please remember that all visitors must be accompanied at all times.
